We knew they'd do this. She'll likely try to shut down public transport as well and close down streets. Trump supporters better be prepared. It's gonna be a trek.

The big mistake was taking control of DC away from the US president. A US president can no longer protect themselves or their administration.

Being prepared (add in as you see fit):

Download a map of DC ASAP: <https://thedonald.win/p/11RNyBCHOH/download-a-dc-map-and-save-in-of/c/>

Navigating DC without a map (DL it anyways, but paper gets wet and phones die.)

<https://thedonald.win/p/11RO2hcJfs/tips-for-navigating-washington-d/>

Bring multiple sets of gear to share:

No time or money for trail packs so how can we make basic school bags work (and more supportive)?

any survival/milsim pedes got a list of stuff to put in them they can share? Thinking 14 days in 0 degrees. basic cheap and achievable things on short notice. Something like:

FIRST AID KIT. Only retards come without a first aid bag per person. True autists bring something like this too. MAKE EXTRAS TO SHARE!

<https://warriorpublications.wordpress.com/2015/06/10/ifak-individual-first-aid-kits/>

Winter clothes (long underwear, thick socks)

Winter is a great reason to wear a hat, mask and scarf. Keep your face and ears warm. Fucks with the face recognition software too.

Tent

Sleeping Bag

Lightweight Pad

sanitation gear, hand sanitizer, etc.

heating pack, snap and warm style

flashlight

Trail mix and jerky

Water

matches/lighter

personal protective equipment, mace, what have you

general protective equipment for those with lots of room like fire blankets, extinguishers, gas masks + extras to hand out, go wild.

high energy.

Pack sets for as many others as you can afford to transport. Unity wins. Worst case scenario is that you double your supplies.

She is hoping Trump's peeps go nuts and do like BLM and ANTIFA did all summer, burning businesses and looting. Then they can show this all over the MSM.

Hi frens! Local here! Please remember that Northern VA is just three miles away from the capitol building. You can even walk across the bridges if needed A good alternative for food, lodging, etc.

They will likely close all the streets and bridges to pedestrians as well.

People need to get comfortable with the idea of fighting police to get to congress at this point.

They would be very foolish to try closing the bridges, because this will fail immediately along with any semblance of police authority.

These business make millions off of tax payer funded building , monuments, libraries, museums everything that makes Washington DC our capital. Yet they close the same citizens out. Maybe it's time the citizens close them out. Burn their shit down.

They make tiny portable tents and sleeping bags as well as mylar blankets and things like that. Make sure to get yourself a sturdy backpack and prepare it as though you're going to be there for days. Stock up on water and any calorie dense foods. Tac-Bars are a decent one if you can find them by the 6th. Nuts, beef jerky as someone else mentioned. But most of all, just look out for your fellow pedes and help out wherever you can. All across this country, we're all brothers and sisters now.

The will try to shut down streets with barricades. That's exactly where you need to be. Bring equipment to dismantle any barricades and make sure you are focusing your attention on what is important. Congress.

Who is this source? Lots of gaslighting going on to discourage people from coming on the 6th. The pink hat mob got there the day after Trumps inauguration. BLM antifa mob got right up to the White House and set St. John's church on fire this summer. Give me a break. No one is keeping the crowd away on the 6th.
